SUMMARY

I am an active student at Ciputra University with a strong passion for event organizing. My experience in participating and organizing various campus activities has refined my skills in planning and executing events. I thrive on working with diverse groups of people and enjoy creating memorable experiences through the events I organize. With my enthusiasm and dedication, I am confident in my ability to contribute positively and assist your event organizing company in achieving success in all its projects.

ORGANIZATIONAL EXPERIENCE

INFINITY GEN 3 Event Division

Oct 2023 - Present

Infinity is an organization present in each batch at UC Makassar. Before the establishment of the Student Executive Board (BEM), Infinity handled almost all events on campus. I have actively participated in organizing various events, such as:

- **UKM Fest:** An event aimed at introducing student activity units (UKM) to new students, encouraging them to join and participate.
- **Seminars and Talkshows:** We regularly organized seminars and talkshows on various topics to engage and educate students.

Additionally, we collaborated with well-known organizations such as Wardah (Technically Paragon Corp) and the National Narcotics Agency (BNN) to conduct successful seminars. These experiences have honed my skills in event planning, coordination, and teamwork.

Leader of Faith Diversity Unity Buddha

Jan 2024 - Present

Faith Diversity Unity (FDU) is a religious organization at UC Makassar, divided into five sections: Islam, Christian, Catholic, Buddhist, and Hindu. I am a leader of the FDU Buddhist section. We have organized various events, including:

- **Dhammatalk:** We invited the Venerable Bhikku Abhijato to give a talk, which was a significant and enlightening experience for the participants.
- **Vesak Concert:** In collaboration with an external organization, Permabudhi, we organized a Vesak Concert to celebrate the Vesak Day festival.
